(6) CD 965, cover letter (JEH letter to JLR, 5/22/64, transmitting a LHM on records of the Mexican Immigration Department.)

I do not have this letter.

Not known to me. Items 6 and 7 may have been 'released' after Bud had the Mexico file reviewed. (I have a listing of that file.)

(12) Hoover letter to Rankin, 10/12, re Slawson's request to declassify the 5/18/64 memo on Mexico.
This seems to be the same as item (8) above; if not, I don't have it.

(13) Executive session, 12/6/63. Personnel matters.
28 pp. (2+26), my #K.21. This was reviewed as a result of my letter of 6/25/74; Weisberg also threated to sue for it. (Lesar letter of 3/12/75.)

118 pp., my #K.19 (original 90 pp.) and #L.2 (28 previously withheld pages), with 9 pp. of attachments.
Reviewed and released at my request; I was looking for the preliminary C&S memo evidently referred to in the 1/27/64 esecutive session, which is apparently still missing.

(20) RFK to Admiral Burkley, 4/22/65, re transfer of autopsy material.
1 p., my #K.65.
Sent to me with letter of 4/16/75; refer to my letter of 11/9/74.

Same comments as for (20).

(27) Hoover letter to Rankin, 1/10/64, re NAA.
My #K.15, 1 p. My request (letter of 3/9/75, #35); Lesar was after it too.
It is odd that this was apparently withheld earlier.

(28) Aebersold (AEC) letter to Jack Miller, 12/11/63, re NAA.
I don't have this, although I have the 1/7 letter by which it was forwarded to the FBI. Lesar was after this (and had been asked to send it to me).
